

Certification of Conformance

to the Open Banking Implementation Entity (OBIE) Standard

Name of Parent Brand (“Implementer”) Making this Certification:	Barclays
Sub-Brand (“Deployment”) Name:	N/A
Type and Version of Conformance Certificate (delete as appropriate):	Read/Write API Specification v3.1 – PIS Functional Conformance
Test Date:	28-April-2020

1. **Certification:** Implementer has tested the Deployment (including by successfully completing the validation tests using the Conformance Software Tool or Checklist) and verified that it conforms to the OBIE Standard, and hereby certifies to the Open Banking Implementation Entity and the public that the Deployment conforms to the OBIE Standard as set forth above.
2. **Maintenance:** If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.
